Title:	Creation				
Class	Lesson # 5				

Scripture Reference: Genesis 1:26-31

Key points

- We did not evolve from animals. We were created, like we are right now, in God's image and likeness
- We were created by God to rule and reign here on earth. God's purpose for man has not changed.
- God prepared everything in advance for us. Everything we will ever need has already been provided by God.
