

Title: Creation

Class Lesson # 4

Scripture Reference: Job 40:15-24, Job 41-1:34, Psalms 74:12, Psalms 104:24-26

Key points

- Science shows that the earth cannot be billions of years old.
- The Bible mentions animals that do not exist today, which match the description of dinosaurs.
- God created all of the animals at the same time as the book of Genesis tells us.
