Mariner's 23rd Psalm

The Lord is my pilot, I shall not go adrift;
He lighteth my passage across dark channels;
He steereth me through the deep waters,
He keepeth my log.

He guideth me by the evening star for my safety's sake.
Yes, though I sail mid the thunders and tempests of life,
I fear no peril, for Thou art with me,
Thy stars and heavens, they comfort me.
The vastness of the sea upholds me.

Surely fair winds and safe harbors shall be found
All the days of my life;
And I shall dock, secure forever.
Amen.

The Lord's Prayer

Our Father who art in heaven,
hallowed be thy name,
thy kingdom come, thy will be done
on earth as it is in heaven.
Give us this day our daily bread;
and forgive us our trespasses
as we forgive those who trespass against us.
And lead us not into temptation,
but deliver us from evil,
for thine is the kingdom and the power
and the glory forever. Amen.

A Valentine For Donna

*I am setting here alone in my motel room,
Feeling full of self pity and gloom.
But it gives me time to realize what life is really all about,
And thinking about it makes me want to jump up and shout.
It's not about things that come from a store,
But what has been given to us from the Lord.
Which leads me to what I've been wanting to say,
I want to thank him for each and every day.
For him sending you just for me,
And for two beautiful children who were born close to the sea.
They really reach deep into my soul,
And it makes me miss you so.
I've always loved you from the start,
And I always will even after nature makes us part.
The reason I wrote down most of my thoughts on this page,
Was so I could wish you a Happy Valentine's Day!*

*Love,
Bruce*
