Announcements

It's Just...Dinner!

Thank you to everyone who made our first "Just Dinner" successful! We will be having a "check in" meeting to plan the next one(s) and to debrief on August 12, 5pm.

Meet the Pastor!

On Sunday, August 11, following the second service, we'll have a "meet the pastor" gathering in the Fellowship Hall, particularly for those who are newer to our church to get to meet Pastor Brian (and Tommy if he's available) and to get to know some of our church's leaders. All are welcome – no meal, but light snacks are included.

Thank You!!

The Food Pantry team wants to give a big Thank You to the VBS planning team! The VBS team chose to incorporate a food drive, for those in need in our community, into the VBS program. They selected the FUMC Food Pantry to receive the goods collected. The Food Pantry team is very grateful for the VBS team and its participants for all the items collected. We were speechless at the volume of product left outside the Food Pantry Closet.

Fifty Plus August and September

As we get ready for a new season of activities, we will gather for a **Fifty Plus Potluck Picnic in the Park at Gosnold’s Hope Park, 901 E. Little Back River Road**. Plans are to **meet at the Cherry Shelter** (fourth left after entering the park). Mark your calendar now for **5 pm, Wednesday, August 14**. We will provide fried chicken, soft drinks, and paper products; you provide a dish to share. **Cost is just \$3.00**. When you sign up, be prepared to tell us what you plan to bring, e.g., appetizer, salad, vegetable, entrée, dessert, other. In addition to great fellowship, we’ll chat about possible future activities.

Mark your calendar and reserve now for our **September 19** outing to tour the **HRSD SWIFT Water Treatment Research Center in Suffolk**. SWIFT is an innovative water treatment project in eastern Virginia. It is designed to further protect the region’s environment and enhance the sustainability of the long-term groundwater supply. SWIFT takes highly treated water and puts it through additional rounds of advanced water treatment. When it meets drinking water quality standards, the SWIFT Water is then added to the Potomac Aquifer, the primary source of groundwater throughout eastern Virginia. Following our tour we will stop for lunch. **Cost is just \$3 plus your meal**.

Contact Anne or Bill Bryan with your ideas and to sign-up – in person, at abandbb1@cox.net, or by phone to 757-851-0748. Please do it promptly.
