

**Mosaic – Jan. 30, 2022**

**Series: Mosaic Then & Now: Jesus Oriented**

**Doxology**

Praise God from whom all blessings flow;  
Praise Him all creatures here below;  
Praise Him above ye heav'nly host;  
Praise Father, Son, and Holy Ghost.  
Amen.

**So Faithful**

Before I knew your name  
You had chosen mine  
Bought the damaged goods  
That no one else could buy  
You suffered my rejection  
Battled through my doubt  
Knowing you're the one  
That I can't live without

For you are so faithful  
You're so faithful  
You are so faithful to me

And lord I keep on learning  
That I can't be my answer  
It's like wishing on a star  
To take away the cancer  
But you are still the healer  
Who makes the blind to see  
So even in the darkness  
I will still believe

That you are so faithful  
You're so faithful  
You are so faithful to me

And looking to the future  
There's so much I don't know  
But one thing I can be sure of  
Is I will not go alone

**Beautiful Things**

All this pain  
I wonder if I'll ever find my way  
I wonder if my life could really change, at all  
All this earth  
Could all that is lost ever be found?  
Could a garden come out from this ground, at all?

You make beautiful things  
You make beautiful things out of the dust  
You make beautiful things  
You make beautiful things out of us

All around,  
Hope is springing up from this old ground  
Out of chaos life is being found, in you

You make us new,  
You are making us new  
You make us new,  
You are making us new

**Worthy Of It All**

All the saints and angels bow before Your throne  
All the elders cast  
Their crowns before the Lamb of God and sing

You're worthy of it all  
You're worthy of it all  
For from You are all things

And to You are all things  
You deserve the glory

Day and night, night and day let incense arise  
Day and night, night and day let incense arise  
Day and night, night and day let incense arise  
Day and night, night and day

### **The Glory Of Your Name**

All Your ways are perfect  
Ours are surely not  
Still we try to walk in our own way  
But we are only human  
And You're almighty God  
Help us, Lord to lean upon Your grace

### **Chorus**

Take these hands  
They are Yours to use  
Use them now to glorify Your name  
All we have  
Only comes from You  
We will share the glory of Your name

Lord, we long to give out  
But You're the one who has  
All who drink our water still will thirst  
Your Holy Spirit poured out  
Will quench the thirsty soul  
Satisfy the hunger, heal the hurt

Every good and perfect gift is Yours  
Perfect mercy, perfect peace  
Every gift You give becomes much more  
When we give it away

### **Transform Our Hearts**

Transform our hearts,  
Renew our minds  
To be like Yours  
To be like Yours

For Your ways are wiser  
Your heart is kinder  
Your thoughts higher than ours  
May we see You clearly  
And love You deeply  
Wanting nothing more  
Wanting nothing more than You

Transform our hearts,  
As we set our wills  
In line with Yours  
Jesus, in line with Yours

For Your ways are wiser  
Your heart is kinder  
Your thoughts, higher than ours  
May we see You clearly  
And love You deeply  
Wanting nothing more  
Wanting nothing more  
Wanting nothing more  
Wanting nothing more than You
