

:: Summary

Last week we learned that we are all on a Journey of Faith. But, like the Israelites, there are times when that journey comes to a standstill. For four hundred years the Israelites stayed in Egypt and adapted to that culture, leaving behind the Promise of God...His promise to make them a great nation and to be a blessing.

Share a time when you found yourself at a point and could not decide which way to go. What did you ultimately do?

:: Explore and Discuss

1. The Israelites were no longer living into the promises of God given to them through Abraham. Where can we see this happening today around us or to us?
2. If you felt this was happening to the church, what do you think we should do about this?
3. We heard that God was always present and working even when they could not see it. Have you witnessed a time in your life when we saw evidence of God working, but were only aware of it after the fact?

:: Apply it to Your Life

How can we seek as individuals and as a church to see where God is already at work around us?

What should we do when we find where He is working?

:: Pray

Lord, we pray forgiveness for our own feelings of doubt and confusion at times. We ask you to show us where we have failed to move forward on this Journey of Faith you have provided. Help us to seek where you are at work here in Pleasanton. Give us the wisdom to join you in that work, that we may be a blessing to you. For we pray this in the glorious name of Jesus Christ.
