

:: Summary:

In the text this week, there were movements to the narrative. Moses is drawn to the burning bush, God speaks and Moses hides his face, then God sends Moses to Egypt. From attracted to transformed to sent.

Question: How has God drawn you in to hear His voice?

Question: Moses got a burning bush and audible words. At times most of us think how nice it would be if God would still speak today like that. But God still does speak today. Can you think of some ways that God can speak clearly to His people? (If you are not sure, the answers will be on next week's guide.)

:: Apply It to Your Life:

Question: What was spoken to you to transform your life for Christ? Would you say it was God speaking?

Question: What do you feel God is calling/sending you to do now?

:: Pray:

*“Lord, we pray that you will speak to your church now. Speak to us clearly through your word. As we read it may your Holy Spirit teach us all that we need to know to accomplish Your work. Speak to us also through the community of believers you have surrounded us with here at GraceWay. Lord, we ask that you speak to us even in our circumstances. May we review where we are and ask what you might want us to learn in this place. Lastly Father, we ask that in the name and power of your Son Jesus Christ, you will speak clearly to us when we lift up righteous prayers. Help us to pause and seek your response by the power of the Holy Spirit. In the Name of Christ we pray. Amen.”*
