

:: Summary

We are all on a Journey of Faith. At times, like these disciples, we have doubts and fears and become confused. When we seek out others and share these honest emotions in Your Name, you will reveal your truth to us in a way to send us racing back down the road with your Good News.

:: Explore and Discuss

1. We saw in the text how even His disciples were lost and confused, but they shared those feelings with one another. Who do you feel like you can share with when you feel this way? (Outside of your Life Group)
2. Jesus walked with them teaching them. When have you been aware of Jesus teaching you recently?
3. Talk about a time when Jesus' presence was revealed to you.

:: Apply It to Your Life

How might you make yourself available to others who may need to talk through an issue of faith?

When we have heard Jesus teach, and He reveals Himself to us, how should we respond as led by the rest of the text?

:: Pray

Lord, we pray forgiveness for our own feelings of doubt and confusion at times. We ask boldly for you to join us together as we share these doubts, as we learn from your teaching, and as we see you in and through the Body of Believers. Strengthen us and send us, Lord, to tell others about your good news. For we pray this in the glorious name of Jesus Christ.
