

## “God Will Never Give You More Than You Can Handle”

Question: Who said “Play it again, Sam”? (look up the answer on google)

Question: Often we hear things said and never question the truth of the saying, especially when it is preceded by “the bible says...” The Saying at the top is one used very often as Scripture...but it is not. A similar text is 1 Cor. 10:13. How do you suppose that people have misquoted this text for so long.

Question: What is the big difference between the famous saying and the actual text? Why is it important? (if you want to know more watch the Aug 29 sermon broadcast on Youtube.)

:: Apply it to Your Life

Question: If you heard someone today quote this text to another person, how might you respond?

Question: What does it mean to say God won't let you be tempted beyond what you can bear? How does the rest of verse 13 make you feel about your own temptations?

:: Pray:

Lord Jesus, we thank you for our salvation you have given to us, and how we can stand, even under the weight of great temptation, when we focus on you in the middle of those storms. Continue to grow us and move us out to others who need to know this good news...this freedom found in your grace and mercy.  
Amen.
