

:: Summary

Read Matthew 28:16-20

We have been hearing a lot about the “Great Commission” in recent months here at GraceWay. It is forming our Vision and Mission with the focus of Making Disciples.

:: Share

Take a moment and think about how you were led to Jesus. If you are willing, share that experience briefly (knowing that some us have taken the long route).

:: Explore and Discuss

Question: If you were to estimate...how many people do you think have been involved in your discipleship process?

Question: Who were some of the key people to help you make a decision to follow Jesus?

Question: Did these people do anything that you are incapable of doing?

:: Apply It to Your Life

Question: How many people do you speak to regularly (at least weekly) that you are unsure of their faith story?

Question: How can you begin that conversation?

:: Pray

Lord, we constantly miss opportunities to make disciples that You put right in front of us. We feel insecure and unsure of how best to approach the subject. Please open our hearts to love those You love and to say the words You put into our mouths, that we may begin the first steps of Disciple Making. Amen.
