Question: Where do you see your church in the description of the very first "Church" in our text here? Where do you see differences?

Question: What do you think led to this response?

:: Apply it to Your Life

Question: What of the four responses do you need to work on in your Spiritual Journey? (verse 42)

Question: who can help you with this?

:: Pray:

Lord continue to grow us into the Church you hunger for us to be. Help us to hear the good news and respond to it with a new heart, and devote ourselves daily to: learning all that you teach, growing closer as a body of faith, praising you in word and sacrament, and prayer.

In Jesus Name, Amen.
