

BIG

LIVE IT OUT AT HOME

LESSON

1

Each week, your family can read God's Word, discover more about the lesson and share in an activity together.

BIG POINT: BE PLANTED IN GOD'S WORD

Bible Reading

Psalms 92:13 (NKJV), "Those who are planted in the house of the Lord shall flourish in the courts of our God."

Family Devotional

A plant doesn't grow all on its own. It needs to be planted, it needs water, and it needs sunshine. To flourish it needs to be planted in the right soil, have the right amount of water and the right amount of light. If it wasn't planted in good soil, didn't get enough water or light it might stop growing all together.

You and I are like plants, we can't grow all on our own. We need food, we need water, and we need to be cared for. Our spiritual life also won't grow all on its own. We need to be planted in God's Word.

We don't just visit God's Word occasionally, but we plant ourselves in His Word. To plant ourselves in God's Word means we read it, ask God to speak to us through it, obey what He says and live our lives from the truth of His Word. Then we will grow roots deep in His Word and flourish.

Activity: Rock Painting

Supplies needed:

- a collection of smooth rocks
- paint and paintbrushes

Step 1: Wash any dirt off your rocks and allow them to dry completely.

Step 2: Choose what design you want to paint on your rock, a flower, a bug, a butterfly or a Bible verse. When you have finished painting, wait for your rock to dry and choose a place for it in your home or garden.

Pray Together

Dear God,

Thank You for Your Word, help us to plant ourselves and grow deeper as we learn more about You.

In Jesus' name, Amen.
