The background of the entire graphic is a collage of four photographs. The top-left photo shows two young men, one in a white shirt and one in a black shirt, smiling and looking towards the camera. The top-right photo is a close-up of two young women; one has blonde hair and is smiling, and the other has brown hair, wears glasses, and is also smiling. The bottom-left photo shows a group of four young women, one of whom is holding a cup and looking excited. The bottom-right photo shows a group of young people sitting at a long table with multiple computer monitors, appearing to be in a gaming or esports event.
