*In Loving Memory of Tobias Glockner
August 20, 2007 – June 19, 2025*

It is with profound sadness that we announce the passing of Tobias Glockner, who tragically lost his life in a glider plane accident on June 19, 2025, in the district of Tyrol, Austria.

He was 17 years old.

Born on August 20, 2007, Tobias was the beloved son of Ralf and Birgit Glockner of Oberallgäu, Germany, and the cherished brother of Miriam. He was a young man full of life—kind, loving, intelligent, loyal, and deeply devoted to his family and friends.

Tobias had a deep passion for flying. Earning his pilot's license was a proud and defining moment in his life, and he spent countless joyful hours in the air with his friends at his local flight group.

Tobias also spent a meaningful year as a foreign exchange student at Salisbury R-IV School in Salisbury, Missouri. During his time in the U.S., he became a treasured member of the community and left a lasting impact on everyone he met. He was involved in numerous school and community activities, including the FBC Youth Group, Science Club, serving as the Basketball Manager, participating in the SADD Committee, FFA, Junior Class Concessions, Stage Crew for Drama, and attended nearly every school event with enthusiasm and joy.

Tobias is survived by his loving parents, Ralf and Birgit Glockner; his sister, Miriam; his paternal and maternal grandmothers; and his uncle. He is also remembered with love by his host family: Kurtis, Melissa, Zane, Olivia, and Gracie Estes, along with many dear friends around the world.

Tobias' time with us was far too short, but the light he brought into the lives of those who knew him will never be forgotten. He lived with purpose, passion, and a heart full of love.
