

A Philippians Man:

Leading with Purpose, Humility, and Courage

A Philippians Man Intro

I'm so excited to kick off our new study, "A Philippians Man," next Monday, January 27!

This study is all about diving into the book of Philippians and learning how we can live with joy, humility, and purpose as men of faith. Each week, we'll focus on a specific passage or theme, and I'll share a short devotional video through the church app.

Here's how it'll work:

1. Watch the weekly video—whenever it works for you.
2. Engage in the discussion feed to share thoughts and insights.
3. Pray for one another using the prayer request thread.
4. Go deeper if you want through one-on-one chat threads.

The great thing about this format is it's flexible—you can engage on your own time, but we'll still be staying connected and growing together as a group.

I can't wait to see how God uses this study to challenge and encourage us all. If you have any other men in your lives that you think should be here, feel free to send them an invite link to join our group!

Looking forward to starting this journey with you all!
