Part 6

You're Part of a Miracle Journal / Group

Let's not be a church that knows the miracles of God, but instead be a church that is intimately acquainted with the God of miracles.

Read Mark 6:30-44

Start Talking/Journaling.

- How have you seen God use people that have been discounted by others?
- What miracle do you need?
- What ingredients are around you - placed there by God - that could help bring about that miracle?
- How are you broken? How could God use that brokenness for His good?
- Reflect on the miracles you've experienced. How have you participated in your own miracles?
- Most of the things we ask God for are not miracle issues but management issues. How have you experienced the truth of this statement?
- What makes Jesus so compelling to you in this text?
- What excuses have you been guilty of using when you don't want to do something that God has asked you to do?

Start doing. Commit to a step and live it out this week.

- What steps will you take to stop seeking after miracles and instead start trusting the God of miracles in a more intimate way?
- This week, find a Small Group that you can join to share life together: www.RHFL.org/groups
- Start *The Miracles of Jesus* Bible Plan using Plans With Friends: www.go2.lc/miraclesplan
