

Weekly Worship Meditations and Preparation Thoughts

For meditation from Sunday's worship: Read Genesis 11:1-9

- Pray about any areas of life where there is outer unity while lacking inner unity.
- Pray that the Holy Spirit creates unity as our High School mission team comes together with other teams to serve the world together in Jesus' name.

For preparation for next week: Read Acts 2:14, 22-36

- What different roles do we hear for God the Father, God the Son, and God the Holy Spirit in this text?
- Of all the disciples, how is Peter qualified to speak of "the definite plan of God?"
