

Weekly Worship Meditations and Preparation Thoughts

For meditation from Sunday's worship: 1 Corinthians 10:1-13

- What part of this reading might bring comfort to someone who thought he or she was "standing firm" but fell?
- In prayer, ask God to show you someone with whom you can share some of the ways you have fallen to show how God has redeemed that situation.

For preparation for March 27th Midweek Lenten Service: Read Exodus 17:1-7

- Looking at verses 3-4, how might Moses have approached this situation differently with God? What can we learn from his experience?
- Why might it be tempting to test the Lord?

For preparation for next Sunday, March 31st: Read Luke 15:1-3, 11-32

- Do you resonate more with the older brother or the younger brother?
- Pray about a "younger brother" or "older brother" you know.
