

Weekly Worship Meditations and Preparation Thoughts

For meditation from Sunday's worship: Read Isaiah 2:1-5

- Pray about a "sword" in your life or in the world that God could turn into a "plowshare."
- One day all people will know God's ways. Does this help you as you walk in God's ways now? Why or why not?

For preparation for next week: Read Isaiah 11:1-10

- Which of Isaiah's images best depicts God's new creation to you?
- What situation in your life looks like the stump or nothing but roots?
