

Weekly Worship Meditations and Preparation Thoughts

For meditation from Sunday's worship: Read Matthew 25:31-46

- How can you reflect God's love to the "least of these" whom He has placed in your life?
- Pray about your commitment form, asking God to show you where you can use His gifts to love Him more and love your neighbor.

For preparation for next week: Read Colossians 1:13-20

- What does it mean to you that Jesus is both author and King of creation?
- What do you most anticipate about His return?
