

Weekly Worship Meditations and Preparation Thoughts

For meditation from Easter Sunday's worship: Read Romans 8:11 and John 14:19

-If you are struggling to profess Easter, read Romans 8:11. Ask the Holy Spirit to give you life in any of those family situations, losses, or habits.

-If you are struggling to possess Easter, read John 14:19. Ask God to make Easter happen in you.

For preparation for next week: Read John 20:19-31

-How would you describe the last time the disciples had seen Jesus?

-What is the very first word Jesus shares with His disciples after He has risen in victory?
