

Weekly Worship Preparation Thoughts

For preparation for March 20th Midweek Lenten Service: Read Exodus 14

- Have you ever felt stuck or trapped in a situation?
- Did you respond by thinking back to the "good old days" like the Israelites?
- Is it easier to try or trust in those situations?

For preparation for next Sunday, March 24th: Read 1 Corinthians 10:1-13

- What are lessons God has taught you from the past?
- Have you had situations where you "knew" you stood firm...right before you fell?
- How did God redeem that situation?
