

Weekly Worship Meditations and Preparation Thoughts

For meditation from Sunday's worship: Read Psalm 91:9-12, Daniel 12:1-3, and Matthew 18:10

- How does Jesus offer us a different perspective of "little ones" than first century Palestine or even today offers?
- What area of your life is it most helpful to envision that angels are a part of our larger reality as God's family?

For preparation for next week: Read Luke 17:1-10

- What situations in life have caused you to pray with the disciples, "Lord, increase our faith!"
- What do you think of when you think of something small? A mustard seed? Something else?
