

Weekly Worship Meditations and Preparation Thoughts

For meditation from Sunday's worship: Read Revelation 21:1-7

- As you see spring bringing new life in the old creation, praise God for His new creation.
- Pray for Home Sweet Home Ministries as God brings His new creation into the lives of households in our area.

For preparation for next week: Read Acts 15:36 - 16:8

- How might Paul have felt when he no longer traveled with Barnabas and could not embark on the mission to Asia?
- How do you respond when God closes doors?
