

Weekly Worship Meditations and Preparation Thoughts

For meditation from Sunday's worship: Read Matthew 5:1-12

- Is there a relationship where you can be vulnerable about your questions in life, caring toward a member of your household, or laugh in the midst of difficult circumstances?
- Is there a lesson God taught you through a saint you could share with someone else in your life?

For preparation for next week: Read Luke 20:27-40

- In light of verse 27, what might the real purpose of the Sadducees have been?
- When has someone asked you a really good question?
