

## Weekly Worship Meditations and Preparation Thoughts

For meditation from Sunday's worship: Read Luke 20:27-40

- Is there someone in your household who might benefit from hearing you share your questions for God?
- Are there questions you can view in light of God's Word to help you discern their nature?

For preparation for next week: Read Matthew 25:31-40 and Acts 5:18, 12:3-4, 16:23

- Why are the righteous so surprised?
- Why might visiting the imprisoned have been so significant in the life of the early church?
