

Weekly Worship Meditations and Preparation Thoughts

For meditation from Sunday's worship: Reread Luke 15:1-32

- Pray about anything "out there" which the devil, the world, and our sinful flesh is tempting you to think might be better than what you have in our Heavenly Father.
- Pray, asking God to show you whether there is anyone in your life God wants to welcome home through you.

For preparation for April 3rd Midweek Lenten Service: Read Exodus 20:1-17

- In which situation in life are you most tempted to say "mine" to God (or someone else)?
- How have you experienced contentment conquering coveting?

For preparation for next Sunday, April 7th: Read Philippians 3:4-14

- What have you counted as gain apart from God in the past?
- Why might Paul be warning us about the danger of considering "that I already obtained this or am already perfect"?
