

Weekly Worship Meditations and Preparation Thoughts

For meditation from Sunday's worship: Read Luke 10:25-37

-Ask God in prayer to show you if there are any loopholes you have in your perception of neighbors as well as a way to show His love to one of your neighbors.

For preparation for next week: Read Exodus 12

(VBS theme = "Life is wild. God is good.")

-What is something that seems "wild" in Exodus 12?

-What is an example of God's goodness in Exodus 12?
