

Weekly Worship Meditation and Preparation Thoughts

For meditation from Sunday's worship: Reread Philippians 3:4b-14

- Pray, asking God to show you any areas of life where man is giving you a sense of "arrival".
- If there are areas of life where you struggle seeing how Jesus has "made [you] His own," meditate on Philippians 3:12 by placing it somewhere you will see it every day such as using it as a phone background or putting it on your mirror.

For preparation for April 10th Midweek Lenten Service: Read Exodus 32:1-14

- When have you struggled with the God who makes you wait?
- When we make a wrong turn, is it easier to turn around or keep going?

For preparation for next Sunday, April 14th: Read Exodus 34:1-8

- Are there any areas in life where you need a new beginning?
- Are there any "new beginnings" in your past which didn't work out? What was God teaching you?
