

## Weekly Worship Meditations and Preparation Thoughts

For meditation from Sunday's worship: Read Acts 2:14a, 22-36

- Thank God for any "faith dads" He gave you to point you to His way.
- Reflect on a time when the Father's way was better than your own. Is there anyone who might be encouraged by hearing about this experience in your life?

For preparation for next week: Read Isaiah 65:1-9

- When have you experienced the unexpected?
- What comfort is there in knowing that God's plans are beyond our expectations?
