

## Weekly Worship Meditations and Preparation Thoughts

For meditation from Sunday's worship: Read Philemon 1-21

- Pray about a broken situation you see that God might redeem it for our good and His glory.
- Thank someone whose faith God has made useful in encouraging you or someone in your household.

For preparation for next week: Read 1 Timothy 1:5-17

- Pray for anyone in your life who reminds you of Paul before he met Jesus.
- Why might Paul be identifying himself the way he does to Timothy in verse 15?
