Awana Kids Ministry program kicks off this Wednesday. If you have children or grand children and you do not know about **AWANA**, I encourage you to check it out. It is a fun and interactive ministry aimed at equipping children with the Word of God.

Our 9:00 am **Chapel Worship** will (prayerfully and hopefully) reach more young families. While this is exciting, it will also create the need to have more volunteers in **AWANA** and all areas of Ardeella **Kids Ministry**. If you are interested in finding out more about volunteer opportunities in this area, please fill out a Communication Card and drop it in the offering plate or hand it to a greeter at the Welcome Desk as you leave worship.

Chapel Worship will be doing a soft launch Sunday, September 15th. We invite you to come give it a try. We have been working hard on this service all summer long. We will have a full community launch on October 27th. This 9 am worship service meets in **the Chapel** (in the Family Ministry Building) will be band led, have interactive teaching and a coffee house atmosphere.

Don't forget that we have Church-Wide Prayer tonight at 6:00 pm.!!!

WORSHIP ARTS MINISTRY

"Our Music Ministry is growing and we need more help!"

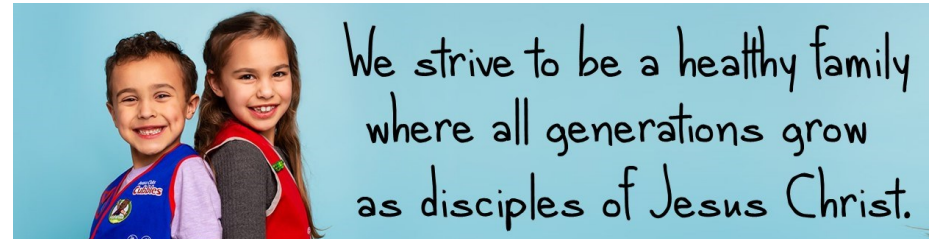

1. **Ardella Choir** begins this afternoon and meets almost every Sunday afternoon from 4:30-5:45 pm. Reading music is not a prerequisite but staying on pitch surely would help!

2. **Handbell ringers** needed that would not rehearse every week but reads music well and could be called on to fill in on any bells when the need arises.

3. **Orchestra** needs more instruments: strings, woodwinds, and more trumpets would be a nice addition. All three of those groups lead worship approximately once a month. Other needs include praise band instruments like electric guitar, percussion, keyboards, etc. on a rotation basis. See Brad Weishaupt for more info.

EXPERIENCING GOD BIBLE STUDY

Experiencing God is a Bible study that guides you to experience the kind of relationship with God through which you come to know and do His will. Through examination of biblical and contemporary illustrations, you will understand and apply seven realities of experiencing God. You will be helped to better understand how to experience God intimately daily. **Experiencing God** is a 13-week Bible study that begins this Wednesday, August 28th at 6:30 pm in Room 105. The cost of the course study guide is \$15. Please sign up in the Foyer this morning.
