A true soldier fights not because he hates what is in front of him, but because he loves what is behind him.

Words of Wisdom for Dads

Dear dads,

In the fear of the Lord one has strong confidence, and his children will have a refuge.

Fathers, do not provoke your children to anger, but bring them up in the discipline and instruction of the Lord.

Oh that they had such a heart as this always, to fear Me and to keep all My commandments, that it might go well with them and with their descendants forever!

Besides this, we have had earthly fathers who disciplined us and we respected them. Shall we not much more be subject to the Father of spirits and live?

Train up a child in the way he should go; even when he is old he will not depart from it.

My son, do not despise the Lord's discipline or be weary of his reproof, for the Lord reproves him whom he loves, as a father the son in whom he delights.

Please stop by the Information Area and take a Life Group brochure or speak with someone at the Welcome Desk. Hope to see you in a Life Group next Sunday morning at 9:00 am.
