GREATER THAN  
BOOK STUDY OF **HAGGAI**

This morning, we will continue our study of the book of Haggai. This is such a wonderfully rich Old Testament book to study. I believe the overall theme of Haggai is how God motivates us to do what He calls us to do, and more importantly, how God motivates us to be who He calls us to be.

Last week, God motivated His children in Haggai Chapter 1 by pausing His blessings. He wanted to get their attention, and when He got their attention, they responded immediately with repentance. They set a great example for us to follow.

This morning, we are going forward twenty three days after their “altar call” from God, and He is about to motivate them again. This time in a different way.

## LIFE GROUPS: SUNDAY MORNING BIBLE STUDY

Life Groups are our Sunday morning small-group Bible studies. Our **Life Groups meet each Sunday morning at 9 am** for fellowship, light refreshments, prayer, and Bible study.

These groups are made up of people who are single or married of all ages; people like you and me, living life together based on **Acts 2:42-47**. The focus of Life Groups is to teach the Bible, help disciple people to Christ, help them grow in Christ, build relationships, and live life together as we follow Jesus. Please stop by the Welcome Desk, take a Life Group brochure and speak with someone about a Life Group just for you.
