

INFRASTRUCTURE: RESURRECTION POWER

Power is part of the infrastructure of everyday life. Electricity runs quietly behind the walls. Water moves through unseen pipes. Roads and bridges carry us where we need to go. Much of what sustains life is not always visible—but it is essential.

The same is true for the Christian life. The resurrection of Jesus is not just something we celebrate once a year at Easter. It is the power that sustains us every day.

In **1 Corinthians 15:30–34**, Paul shows us how resurrection power strengthens our present.

Tonight we will gather for **church-wide prayer at 6:00 pm**. We will meet in the Fellowship Hall at 6:00 pm. This is a wonderful time of prayer, fellowship, and praise.

Please also be praying for the **adult bus trip to Pennsylvania** that leaves early in the morning. Be looking for fun updates on Facebook as they travel. They leave early (5:45 am) in the morning.

And as Easter approaches, let's keep inviting. **Invitation cards are available at the Welcome Desk, in the chapel, and online on Facebook.** Easter is a wonderful opportunity to invite someone to hear the hope of the resurrection.
