This morning, we will start the **Great Jungle Journey Series**. This is the theme for our 2024 Vacation Bible School and the theme for Sunday morning messages in the month of June. By the end of June, I firmly believe that the **7 C's of History** (which is the main theme of the Great Jungle Journey VBS curriculum) will have made a great impact on our entire church family. These 7 C's of History take us through the major events in history that show God's redemptive plan from Genesis to Revelation. They are *Creation, Corruption, Catastrophe, Confusion, Christ, Cross, and Consummation*. I will spend some time introducing each of these in this morning's message.

I really want to encourage you to pray, invite, and use any time, talent, or treasure to help support this year's VBS. Be sure to read your worship guide every week to find out specific ways that you can be involved.

## PROJECT CONNECT UPDATE

Concrete/plant removal on the south side of the Family Ministry Building is under way. It is a work in progress that will end with a new landscaped front yard which will give us a great space to host events right on W. Pipkin Road. The LED Sign is being shipped and should be installed in the month of June. This will really help us invite, inform, and encourage our neighbors and the W. Pipkin Road traffic. To date, we have received \$40,364 towards our \$150,000 goal for Project Connect. Thank you church family.
