The Great Jungle Journey Day 2: All Sin!

Last week, we saw that God (the Father, the Son, and the Holy Spirit) decide, design, and define all creation in six days. In summary, **ALL is good!**

As we turn to Genesis chapter 3, we not only see man's first act of sin and disobedience, we also see the consequences of that action. Because of Adam's sin, all of his descendants (*you and I*) are born with sin in our nature. Because of Adam's sin, our bodies will die. Because of Adam's sin, God cursed His precious creation. The world we see today, while reflecting God's original creation, has been corrupted by sin. The second **C** (*in the 7 C's of History*) is **CORRUPTION**. And beginning in Genesis chapter 3, we realize that **ALL sin!**

Today, we will look at the third **C** (*in the 7 C's of History*) **CATASTROPHE**. From Adam to the generation of Noah, man's heart has grown more and more wicked. God was so grieved that He decided to act. And in His action, we will get a glimpse at the future and final judgement of sin. This message will correspond with Day 2 of **The Great Jungle Journey** VBS.
