

JOIN US TONIGHT FOR THE CAMP & MISSIONS CAKE AUCTION!

It all kicks off at **6:00 PM** in the **Worship Center**. World-famous auctioneer **Mark “The Bid Whisperer” Bedwell** will be calling the shots—so come ready! Bring your dollars, your cards, your coins... and maybe even your best bartering skills.

If you’re baking something to bring, please drop it off in the **Worship Center** **between 5:00–5:30 PM**. When you arrive, you’ll fill out a sheet with your name and a description of your item.

Even if you’re not planning to bid, come for the fun—it’s worth it just to watch good, honest church folks get a little competitive over cake.

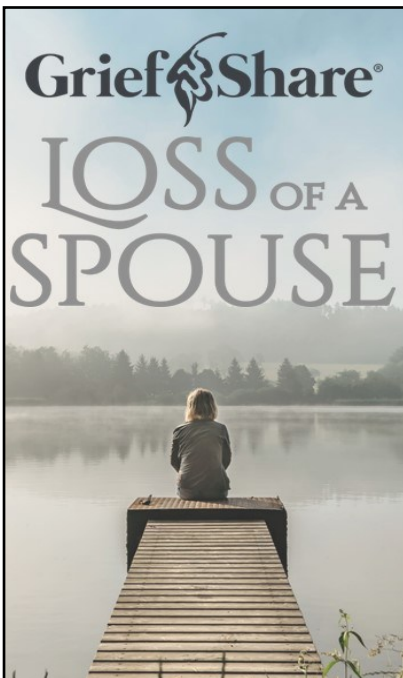

All proceeds will help send our students to youth camp and support our mission partners and projects.

Bid paddles will be available—
and you might as well break out your western duds while you’re at it.

The House God Builds Part Three

April 26, 2026 *Psalm 128:1-6*

When God blesses a home...

It **starts** at the root. *(vs 1)*

It **fills** the atmosphere. *(vs 2)*

It **produces** fruit. *(vs 3)*

It **forms** a pattern. *(vs 4)*

It **extends** the reach. *(vs 5-6)*

Reflection Questions

Psalm 128:1 What is **God’s blessing** tied to—and how does **Proverbs 9:10** help you understand why blessing must begin **at the root** and not the results?

Psalm 128:2 How does **Phil. 4:11-13** reshape what **“it shall be well with you”** really means—and what would change in your home if contentment, not circumstance, **defined the atmosphere**?

Psalm 128:3 According to **John 15:5**, what produces **true fruit** in relationships—and what might be missing at the root if there is **little spiritual fruit** in the home?

Psalm 128:4 What **repeated pattern** do you see this psalm—and how does **Deuteronomy 6:6-7** show that a flourishing home is **not accidental**?

Psalm 128:5-6 How do these verses expand the idea of **“home”** beyond your walls—and how does **Joshua 24:15** challenge you to lead your home in a way that **impacts both** your community and the next generation?

“Which of **these areas**—root, atmosphere, fruit, pattern, or reach—**needs the most attention** in your home right now, and why?”
