

Israel

January 6th

Pray for the peace of Jerusalem. May those who love you be secure. May there be peace within your walls and security with your citadels. For the sake of my family and friends, I will say, Peace be within you (Psalm 122:6-8).

As Christians, we thank our God that we are the wild olive tree grafted into the natural olive tree, Israel, which Paul described in Romans 11:24. We are grateful that our ancient Christian roots are firmly established in rich Hebraic soil through Abraham. It is the root of the natural olive tree that nourishes and sustains us as the engrafted spiritual sons and daughter of Abraham.

Israel is surrounded by enemies who continue to plan for her destruction. The forces of evil advance with many different tactics. God has given Israel wisdom, knowledge and revelation to push back the many sources of attacks.

Pray for the Holy Spirit to raise up a heart cry for Israel.

Pray for the peace of Jerusalem and the land of Israel.

Pray that the Lord bless the people of Israel with His promise of redemption, shield them with His love, and bring renewed hope for their day of salvation.

Pray that the Lord continues to guide Israel's leaders with the light of His truth.

Pray for God's supernatural safety, peace and protection to guard the land and all its people from terrorism and the forces of evil.
