

Son Of God

Pastor Bryan Keith Dugger - 09/25/2016

Personal Reflection

Set aside fifteen minutes this week to pray & respond to the following:

What does it mean that Jesus is the Son of God? How can the only eternal, all-powerful, all-knowing, all-present being be both Father & Son? Moreover, how can the majesty & radiance of His divine nature be manifested in the form of a man?

These mysteries have both baffled & intrigued theologians for thousands of years. The incarnation of Jesus Christ, the god-man, is a truth that lies at the very core of biblical Christianity.

“Son of God” is a title for Jesus that points to His divinity—equality with God the Father & God the Holy Spirit. Jesus’ mastery over nature, life & death as well as space & time is irrefutable evidence of this reality.

As the Son of God, Jesus is to be honored & worshipped equally with the other members of the Trinity. It is altogether right & necessary that He be called God & be the focus of human trust, worship & prayer.

How has the Son of God impacted your life? Have you fully considered the depth of love & devotion that has been demonstrated by God’s willingness to become human in order that men & women may know Him personally?

Prayerfully consider the evidence revealed in God’s Word that proves Jesus truly is the Son of God. Express your thankfulness to God that He chose to come to earth & provide a way to be saved from the condemnation of sin. Rejoice in the fact that God’s Son has opened the door for you to be adopted into His family, not as an equal but instead as a cherished & unique recipient of His eternal grace & mercy through Christ.
