Evidence Means Accountability

---

---

v. 32-34

Two Kinds of Skepticism

---

---

## III. The Satisfied Skeptic

---

---

### *Personal Reflection*

*Set aside fifteen minutes this week to pray & respond to the following:*

*The existence of God is a question that captures the imagination & impacts every area of life. Evidence to justify belief in God is attainable, provided one is objectively & honestly seeking.*

*Why do you believe God exists? Are you convinced by evidence that is reinforced with faith? How will a better understanding of the evidence strengthen your faith & equip you to reach others with the good news that God is real & His Son is our Savior?*

*Prayerfully thank God that He is both knowable & desires to be known. Commit to better understand the evidence for the reality of God so that you may be more secure in your faith & able to help others grow in theirs.*
