**Mid-Week Devotion** (Take time to pray & respond to the following)

Christmas lights are one of the most widely-celebrated and easily recognized elements of the holiday. Each night they transform the ordinary facades of businesses and dwellings into radiant canvases that evoke sentiment & excitement. One need only open their eyes and hearts a little to be touched by the warmth of their glow.

For a follower of Christ, Christmas lights can also be a helpful reminder that the Savior has brought His true and lasting light into the world. This Christmas, and everyday thereafter, choose to let the light of Christ into your life and let it shine there brightly for all the world to see. The world desperately needs to know that the light has come.

The true meaning of Christmas is the arrival of the light of God’s grace, love, and mercy to a people wandering in the darkness. Jesus Christ is the light of the world and those who recognize and receive Him are forever set free from sin and lostness. Salvation is available for all who confess their sin and accept the free gift of salvation.

It is a privilege to have a part in proclaiming the forgiveness and hope that Jesus brings to the world. How are you participating in God’s plan to share the light of Jesus Christ with those who do not yet know God?

Prayerfully turn your eyes upon Jesus. Focus your attention on the present moments you have to worship and praise Him. Ask God to help you live boldly in these days of opportunity. Invite Him to bring people your way that need to be led to their Savior. Rejoice in the security of God’s unfailing presence and love in this wonderful and beautiful Christmas season.
