(Bible/Notes) _____

Reckless Praise - When used with respect to Praise or to a
circumstance described by God's Word defining a time to offer
praise, a Christ Follower is aware of and consciously disregards a
substantial and justifiable risk of offending the world by praising
the One True King. The recklessness of the praise must be of
such nature and degree that disregard thereof constitutes a
gross deviation from the world's standards of "normal behavior"
that a lost person would observe our actions and words and be
directed to the Gospel of Jesus Christ.
