

By the Grace of God

God's love is everything  
You can always sing  
And watch the birds in the trees  
Such a lovely thing

And I planted my garden when I was younger  
The trees give me shelter  
So, I can set and play my guitar

Ooh, o, ooh  
Ooh, o, ooh  
All I have is by the grace of God  
Ooh, o, ooh  
Ooh, o, ooh  
All I have is by the grace of God

You took me as your wife  
Your love never left my side  
And we picked this land  
And we build this house

I look to God  
And I look to you  
My protectors and my keepers  
So, I can grow in love

Ooh, o, ooh  
Ooh, o, ooh  
All I have is by the grace of God  
Ooh, o, ooh  
Ooh, o, ooh  
All I have is by the grace of God

Life is hard  
Faith is harder  
And there's always someone to pull us apart  
But we've had three children  
And they keep on growing  
I know to trust in God  
With all my heart

Ooh, o, ooh

Ooh, o, ooh  
All I have is by the grace of God  
Ooh, o, ooh  
Ooh, o, ooh  
All I have is by the grace of God  
By the grace of God  
And all I need is by the grace of God  
And all I need is by the grace of God
