

I Rejoice

I rejoice, I rejoice, at Your Victory
I rejoice, I rejoice, at Your Victory

All-knowing
All-powerful
The name above all names, Jesus
All-wonderful
All-delightful
Is my Savior Jesus
Is my Savior Jesus

You guided my steps, You led me the way
When I was crushed and nothing
You the Holy One became like us
And subjected Yourself
Yes, subjected Yourself

To the lowliest place like a criminal on the cross
You died for us, a criminal's death
But all glory is Yours as You've risen above
To the highest place
The highest place
The name above all names

And I call You Jesus my great Friend
The Lover of my soul
Yes, the Lover of my soul.
