

Stuck

Right in the middle of my heart  
You set Your love in me  
Right in the middle of my life  
You let Your anchor down deep through me

Oh, I hold on to the faith You gave me  
You showed me You died on the cross  
But You've risen victoriously

You've defeated every enemy  
Everything that exalts  
Itself against Thee

And You're stuck  
In the middle of my heart  
In the middle of my life  
I'm rooted and grounded in Your love, Christ  
Uh, You're stuck  
In the middle of my heart  
In the middle of my life  
I'm rooted and grounded in Your love, Christ

The flames been lit  
I pray it grows greater every day  
I want to glow for You, my King

So many people are blinded  
They walk past me, and I just want to sing,  
"Freedom is in Your name Jesus"  
You came to save that which was lost  
O, I thank You that I'm found  
Your Bible is true  
I follow every word You say  
And I, Oh I pray, I'm true

You're stuck  
In the middle of my heart  
In the middle of my life  
I'm rooted and grounded in Your love, Christ  
Uh, You're stuck  
In the middle of my heart  
In the middle of my life

I'm rooted and grounded in Your love, Christ

I'm holding on, Lord  
To the ground, You've given me  
Persevering, and the troubles and the trials  
They're good for me

You're stuck  
In the middle of my heart  
In the middle of my life  
I'm rooted and grounded in Your love, Christ  
Uh, You're stuck  
In the middle of my heart  
In the middle of my life  
I'm rooted and grounded in Your love, Christ

Oh, You're the King of Kings  
The Lord of Lords  
The great and might one  
You hold me tight  
I wrap my arms around Your love  
Altogether, we shine so bright  
I'm stuck in the middle of this love, uh  
I'm stuck in the middle of this love, uh  
I'm stuck in the middle of this love, uh  
I'm stuck in the middle of this love, uh
