

Abide in You

You draw me to You
You show me You're always there
What You say is true
I believe in Your Word upon my heart

Feed me, clean me in You, Jesus
Your creation perfect in You, Jesus
A clean body and a clean heart for You

God of justice
Mercy and grace
Grant me forgiveness when I've turned my face
Cause Jesus, You're coming
Oh, I long for You, here
Teach me Your truth, so I abide in You
Cause I love You

Feed me, clean me in You, Jesus
You draw me to You
Your creation perfect in You
What You say is true
I believe in You
A clean body and a clean heart for You
A clean body and a clean heart for You, Jesus
A clean body and a clean heart for You

God of justice
Mercy and grace
Grant me forgiveness when I've turned my face
Jesus, You're coming
Oh, we long for You, here
Teach us Your truth, so we abide in You
Cause we love You

Oh, Jesus, yes, how we love You
Cause we love You
Oh, how we love You, Lord
Oh, how we love You, Lord
Clean body, and a clean heart for You
Oh, how we love You, Lord
Clean body, and a clean heart for You
Oh, how we love You, Lord

Jesus

Oh, how we love You, Lord, Lord

Jesus

A clean body and a clean heart for You

Oh, how we love You, Lord

Oh, how we love You, Lord

Lord,

Jesus

Oh, how we love You, Lord

A clean heart and a clean body for You

Lord

Oh, how we love You, Lord

We want to abide in You, Lord

We love You, Lord

Yes, we love You, Lord
