

Sing to You Lord a New Song

Sing to You, Lord, a new song
For You have done marvelous things
I will remember Your faithfulness
I will remember Your mercies You bring

There's no one greater than You, God
No one gives life but You, Jesus
There's no one worthy of our hearts, Lord
Only You, only You, Jesus

The name above all names, Jesus
You came for our souls from the grave
Oh, to save

I will only praise You, Jesus
I will only give You thanks, God
I will only praise You, Jesus
I will only give You thanks, God
I will only praise You, Jesus
I will only give You thanks, God
My shield, my strength
I trust in You
With all my heart
My heart fills with joy
It's for You
It's for You
It's for You

I will only praise You, Jesus
I will only give You thanks, God
I will only praise You, Jesus
I will only give You thanks, God
I will only praise You, Jesus
I will only give You thanks, God

There's no one worthy but You God
Only You heal our brokenness
It's only You who take our pain away
And give us Your rest
Oh, please give us Your rest
Only You, Jesus

You came for our souls from the grave
Oh, to save

I will only praise You, Jesus
I will only give You thanks, God
I will only praise You, Jesus
I will only give You thanks, my God
I will only praise You, Jesus
I will only give You thanks, God

Pour out Your mercy upon us
Pour out Your love upon us
Heal us, restore us, Jesus
We are in need of Your grace
Oh, Father forgive us
For we have turned to the pleasures of this world
Oh, Father forgive us
We have turned our hearts from You
Hallel Yahweh
Hallel Yahweh

Oh, Father, forgive us
For we are in need of Your face
Jesus
We have turned to other gods
We have turned to sorcery
Hallel Yahweh, Jesus
Hallel Yahweh, Jesus
Hallel Yahweh

You are the I am, Jesus
You are the way
You are the I am, Jesus
You are the life
No other way, no other way
Hallel Yahweh
Only way to life
Forgive us, Father
You came to save us
Oh, we are in need of Your face
We are in need of Your face
