

You are Holy Lord

You are Holy Lord  
Oh, so good  
I can't reach to You  
So, You reach to me

God, You're amazing with all that You've done  
Sending Jesus, Your perfect Son  
He walked the earth in Your glorious name  
Showing His children how we can be saved

You are Holy Lord  
Oh, so good  
I can't reach to You  
So, You reach to me

God, You know I get things wrong  
And sin and death are way too strong  
Jesus, You died and You rose for me  
In You, I believe, You set me free

You are Holy Lord  
Oh, so good  
I can't reach to You  
So, You reach to me

God, this world is falling from You  
We will come, we will come our hearts for You  
In Your glorious truth we will praise  
Your Kingdom come and You will reign

You are Holy Lord  
Oh, so good  
I can't reach to You  
So, You reach to me

You are Holy Lord  
Oh, so good  
I can't reach to You  
So, You reach to me

You are Holy Lord  
Oh, so good  
I can't reach to You  
So, You reach to me
