

## Break Me Down

You came to them  
But Thomas didn't want to believe them  
He didn't know what to think  
So, You brought Your risen self again to them

You breathed Your Spirit onto them  
And told them, "Blessed is he who believes without seeing."  
Oh, Lord, that's me!

And every corner of my life  
I want You to Master  
And every thought and every word  
I want You to capture, capture me

Tell me how to be strong when I'm weak  
Hold me, hold me, when I struggle  
The compromise; it comes sweet  
The compromise; it comes easy, to take me

But You know the way  
Light my way, making our way to the heart of You, Jesus  
And You know my heart and what's missing  
I ask You to break me, break me, break me  
Break me down  
Don't let me win  
Discipline me now

You come to me when I seek  
Speaking truth and asking me to trust in You  
Not in the wisdom of mankind  
But be transformed by the renewing of my mind

Don't be conformed to this world  
Put my faith, put my faith, in You  
Put my life and all I do  
In the power of You, God

And You know the way  
Light my way, making our way to the heart of You, Jesus  
And You know my heart and what's missing  
I ask You to break me, break me, break me  
Break me down

Don't let me win  
Discipline me now

Cause You are my life  
Show me what's right  
Breathe Your Spirit onto me  
Oh, let it stay upon me  
Don't let me go  
Don't let me die from Your side

Cause You know the way  
Light my way, making our way to the heart of You, Jesus  
Don't let me win  
Discipline me now

Making our way to the heart of the You, Jesus  
To the heart of You, Jesus  
To the heart of You, Jesus
